

24th International Conference on Non-ferrous Minerals and Metals

Webinar Series

Organised by

Corporate Monitor

In Association with

Jawaharlal Nehru Aluminium Research Development & Design Centre

Material Recycling Association of India

Aluminium Association of India

=====

Programme begins at 10:00 Hrs GMT (3 30 pm IST) for 1 hour

Log in 15 minutes earlier

(Link to be given 1 day in advance in MS Teams(events) platform)

September 18,2020 :

- Welcome Address: Dr. Anupam Agnihotri, Director, JNARDDC & Chairman , Conference Organising Committee
- Address by : Shri Sanjay Mehta,President,
Material Recycling Association of India
- Address by: Shri Rahul Sharma, President,
Aluminium Association of India
- Inaugural Address : Shri Satendra Singh,(IAS), Joint Secretary,
Ministry of Mines, Government of India
- The Non ferrous Metal Scenario : Shri Amit Saran,Director,
Ministry of Mines
To be moderated by S Majumdar, Convenor, Corporate Monitor

September 25,2020

- **Theme Address on Aluminium :**
Prospects of the Aluminium Industry in India: The issues of production inputs: Power, Raw Materials as well as Logistics
Shri Abhijit Pati, CEO & Director, BALCO
- **Theme Address on Copper :**
Growth prospect in Indian Copper Industry:
Shri A K Shukla, CMD, Hindustan Copper

October 2,2020

- **Environmental Impact of Copper Production:**
Shri Pankaj Kumar, CEO, Vedanta -Sterlite Copper
- **Aluminium Recycling – current status and the way forward :**
Shri Mohan Agarwal, Material Recycling Association of India

October 9,2020

- **Panel Discussion: Non-ferrous Metals for Defence and strategic applications : R & D challenges :**
Dr. N. Eswara Prasad, Outstanding Scientist / Scientist H and Director, Defence Materials & Stores R&D Establishment (DMSRDE) & Dr. K Muraleedharan, Director, CSIR-CGCRI
- **Secondary Copper Industry: challenges & opportunities :**
Shri Vijay Agarwal, Material Recycling Association of India

October 16,2020

- **Panel Discussion : Opportunities & Challenges to the Aluminium Industry in the post Covid business environment:**
Shri Rahul Sharma,CEO –Alumina, Vedanta,
Shri Bibhu Mishra, Head, MCoE , Hindalco,
Shri Bijoy Dash, ED(P & T) , NALCO
& Dr B K Satpathy, Ex of NALCO as moderator

October 23,2020

NO WEBINARS

October 30,2020

- **Technology Challenges for the sustainability of Indian Aluminium and Copper Industries:** Dr. P K Banerjee, Chief Technical Officer, Hindalco
- **Optimising Import Substitutes in Aluminium Sector Leading towards Atmanirbhar Bharat:** Shri A K Agrawal, Director(Technical), MECON

November 6,2020

- **Streamlining and Optimising Plant Operations at Vedanta, Jharsuguda during pandemic days :**
Shri G G Pal, COO, Vedanta , Jharsuguda
- **Indian Aluminium Industry 4.0: The Survival Key**
Dr A Agnihotri, Director, JNARDDC

November 13,2020

- **The role of aluminium in sustainable circular economy**
Shri Avrajit Chatterjee , General Manager, Uniseven Group
- **Presentation by Shir Anurag Choudhary**
Himadri Speciality Chemicals

November 20,2020

- **Technical Innovations for Improved Safety and Reliability on Base Metal Furnaces:** Hugo Joubert, Tenova Pyromet, Tenova
- **What does “Green” Smelting Really Mean?** Cameron Harris,Canadian Engineering Associates,Canada

November 27,2020

- **Purging System for the Non-ferrous Industry – new possibilities using N₂/H₂ as Purging Gas :** Andreas Filzwieser and others from Mettop GmbH,Leoben, Austria
- **Electrowinning equipment for producing high purity non ferrous metals:** Malcom Thomas, Filtaquip

December 4,2020

- **Ioniclife Cast Technology-** Hans-Jorg Krassnig and others from Mettop GmbH, Leoben, Austria
- **Retrofit & Upgradation of Fans Theory & Practice:** Shri Srinivasan Krishnamurthi, Nadi Airtechnics

December 11,2020 & Day long Programme on December 15,2020

To be announced
